This is certify that Indian Maritime University, Visakhapatnam Campus is following Grade Point Average (GPA) system for evaluation of semester examination results held by University. In this connection, the student is awarded Semester GPA (SGPA) and Cumulative GPA (CGPA) at the end of each Semester.

The University doesn't have a provision for conversion of SGPA and CGPA to percentage marks.

However, keeping in view the need to facilitate our Students to apply for various competitive examinations, Higher studies and Job opportunities, the following formula may be used for notional conversion of CGPA into percentage marks.

$$\% \text{ Marks} = \text{CGPA} * 10$$

This is issued to facilitate the students of our campus to apply for Higher studies, various competitive examinations and job opportunities only.
