

## Methodology:

The prize will be awarded to a student who has the highest performance index in ship design subjects (Theory, Computer lab & Design project) in B.Tech NA&OE program at IMU Visakhapatnam Campus. The Subjects & methodology chosen for evaluation of the students are as follows:

S. No	Subject	Semester	Marks (M)	Credits (C)	Product (M x C)	Performance Index (M x C)/ C
1	Marine Design 1	5		3		
2	Marine Design 2	6		3		
3	CAD production	6		3		
4	CAD Production LAB	6		2		
5	Ship Design Project	7		6
